

BUILD MORE

PIPELINE PROJECT

INSTANTLY AUTOMATE:

- ζ Route Construction Materials
- Project Management
- Engineering Design
- Volume Flow Rates
- Procurement

PIPELINE PROJECT

Innovative Project Management and Engineering Design Construction Technology!

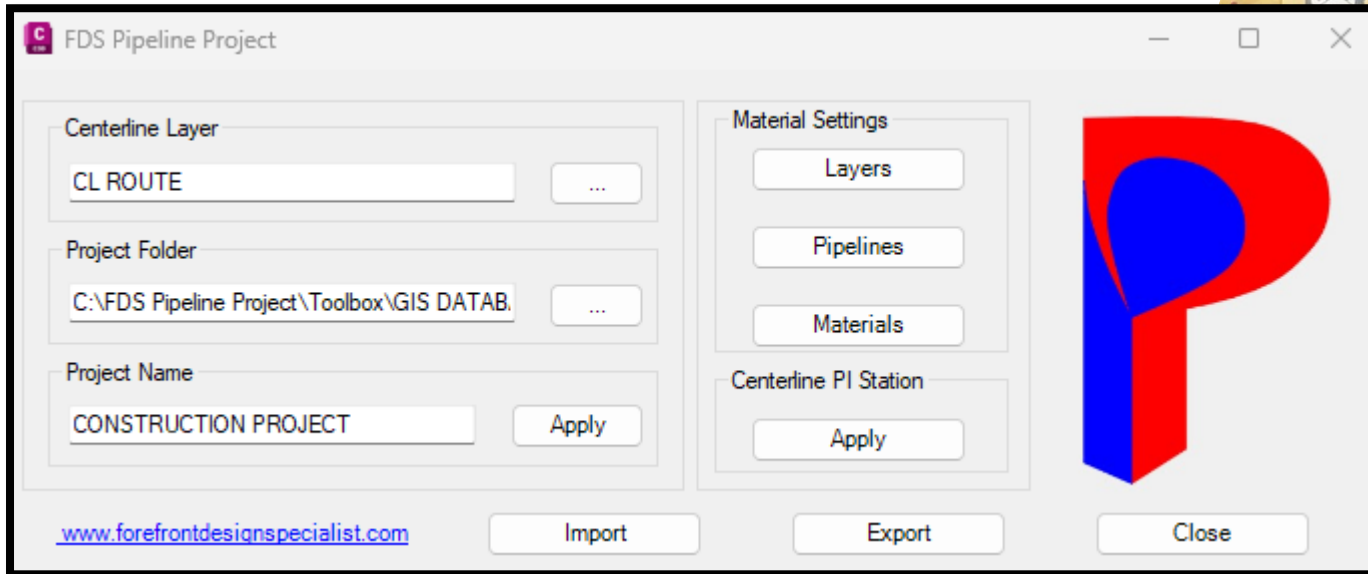

Provides the end user with advance capabilities to instantly auto set your infrastructure materials along your project's C route.

- On the spot quantified totals for centerline route, materials, and volumes for expected commission.
- Instant centerline route PI-Station labels for all communications.
- Import/Export KMZ.

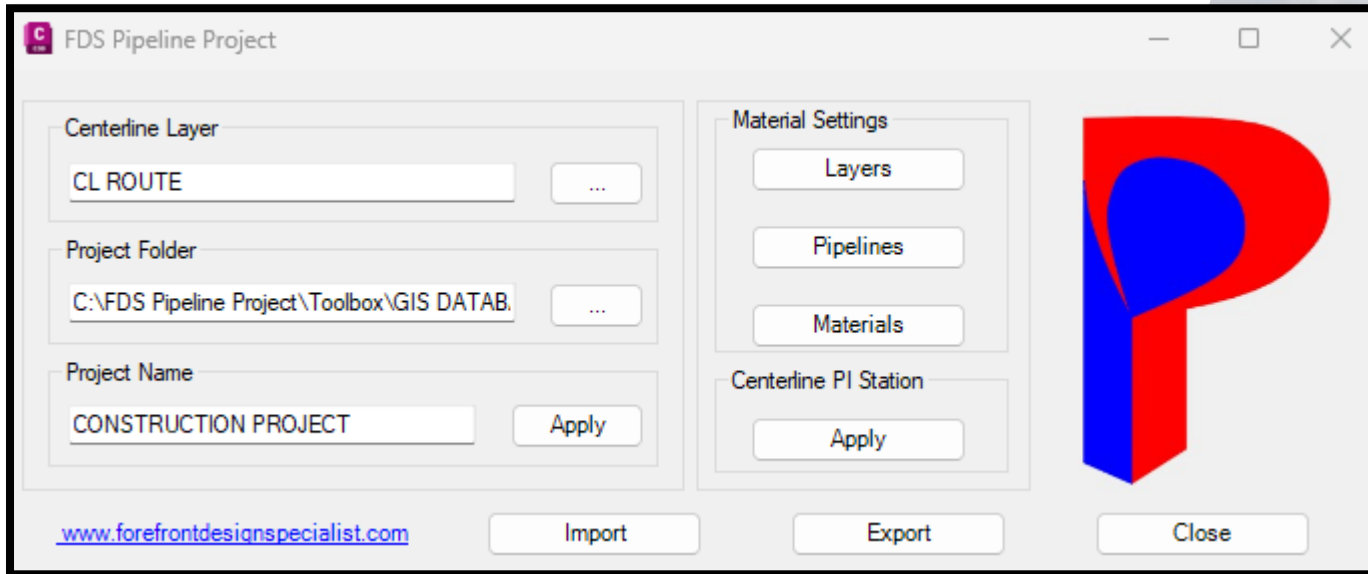

- Works with 2D-3D polyline centerline route.
- Instantly import/export any kind of data.
- Auto sets GIS materials.
- Reads/writes GIS data.

PIPELINE PROJECT

Instantly automate the construction materials along your project's \mathcal{C} route.

PIPELINE PROJECT

Fast \mathcal{C} route station reports with lengths, bends, XY, and bearings with distance.

PIPELINE PROJECT

START UP PROCESSES

Personal Design-Build

- Project managers and engineers will have new advance drawing capabilities to automate C route constructability efforts at project start-up or any phase of your projects.
- Instant quantified totals for C route, materials, volumes, and everything is in reports.

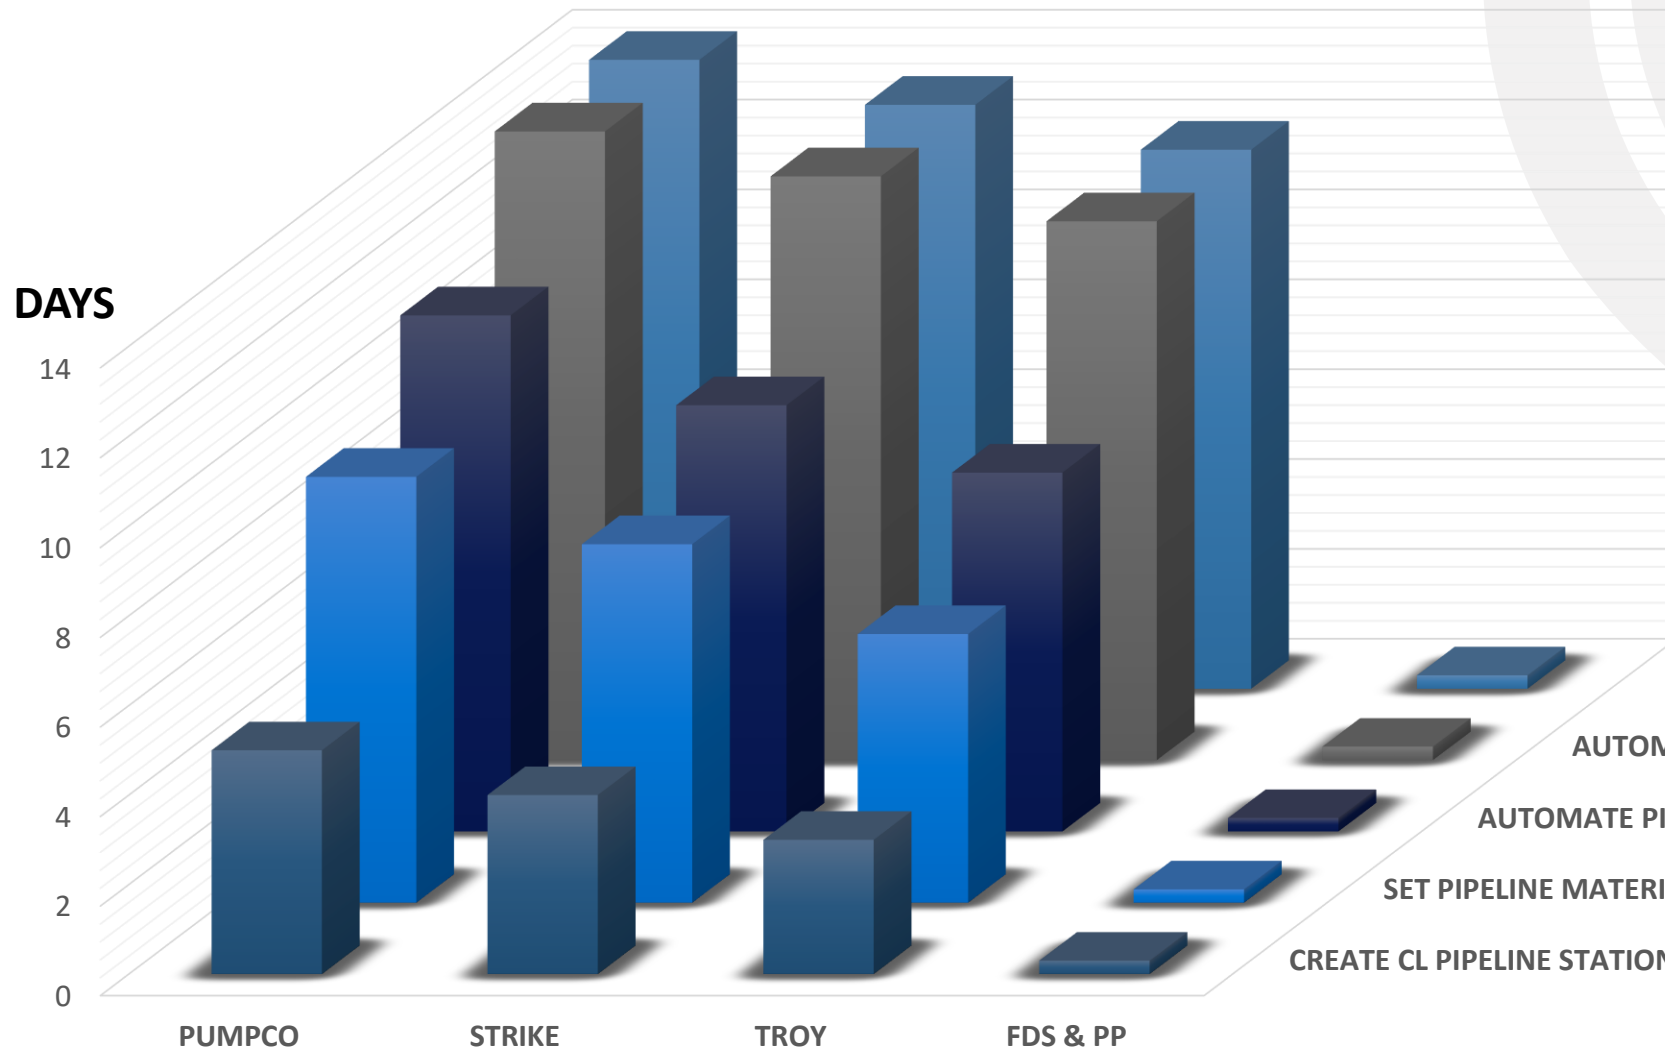

COST SAVING BENEFITS

Frontend Optimization

- Saves your company and projects time and money so you can build more strategically.
- Automates pipeline construction totals for all communications to investors/originators, project managers, engineers, procurement officers, vendors, and company-wide.

VENDOR DESKTOP PROCESS - 100 MILE PIPELINE

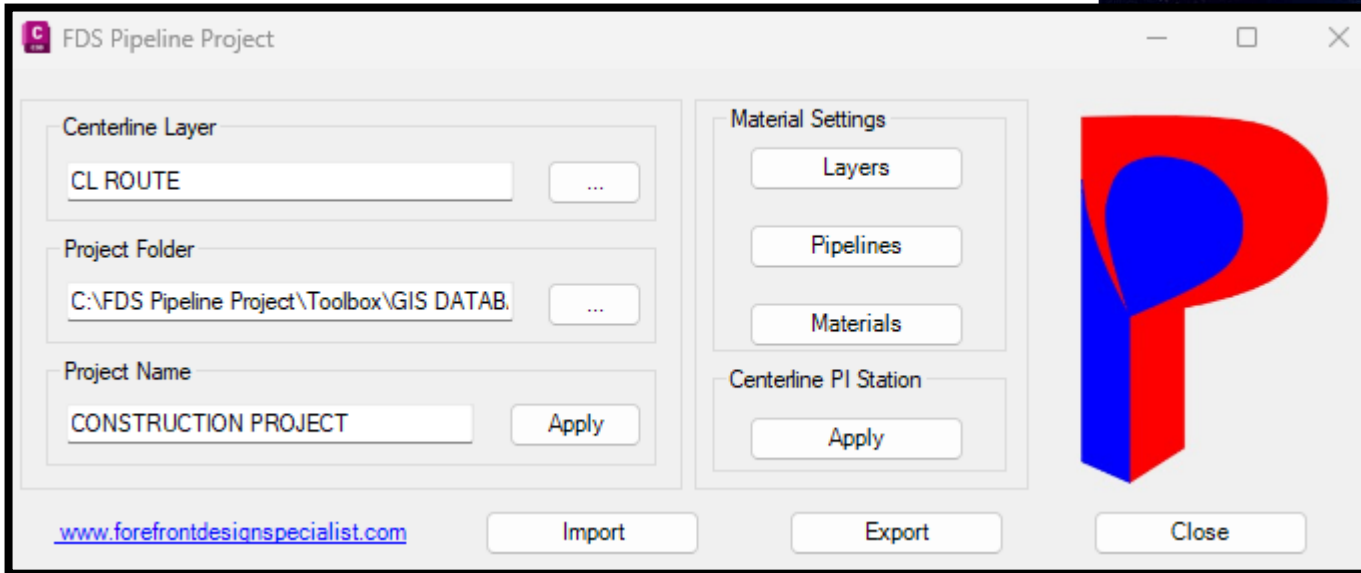

- **PIPELINE PROJECT** WILL SPEED UP START-UP FRONTEND PROCESSES TO NEXT LEVEL.
- ONE DAY DELIVERABLE VERSUS DAYS, WEEKS OR MONTHS.
- NOW YOU CAN BUILD MORE WITH ACCURACY.

- AUTOMATE KMZ WITH PIPELINE MATERIALS, & PI-STATION
- AUTOMATE VOLUME FLOW RATES REPORT FOR COMMISSION
- AUTOMATE PIPELINE MATERIALS/CLASS TOTALS
- SET PIPELINE MATERIALS ALONG ROUTE (KMZ-CAD-GIS)
- CREATE CL PIPELINE STATION REPORT (CAD-GIS)

PIPELINE PROJECT

WILL LET YOU BUILD MORE!
